Dear CFSAN:

Pursuant to Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act and Section of 101.93 of FDA's regulations, we hereby notify you that we are using the following statement(s):

**(1) Name of Address of distributor:**

Jarrow Formulas, 1824 South Robertson Blvd., Los Angeles, CA 90035

**(2) Text of the statement(s):**

Jarrow Formulas® Yaeyama Chlorella is 100% Japanese Chlorella and a subspecies of Chlorella vulgaris, a single-celled, fresh water algae. Yaeyama Chlorella is grown in the environmentally pristine coral reef region of Japan's Ishigaki Island using mountain spring water, tropical sunshine, and food grade nutrients. Yaeyama Chlorella cell walls are broken by high impact jet-spray drying that pulverizes the algae wall for increased absorption of its vital nutrients. Yaeyama Chlorella offers rich amounts of chlorophyll, Chlorella Growth Factor (CGF is high in RNA/DNA), proteins, beta carotene, B vitamins and various minerals. The phytonutrients in Yaeyama Chlorella support healthy cell growth and development and promote detoxification, especially heavy metal excretion. Yaeyama means richer, more flavorful and more nutritious chlorella!

**(3) Name of the dietary ingredient(s) if not provided in the text of the statement:**

Yaeyama Chlorella powder

**(4) Name of the dietary supplement(s)**

Yaeyama Chlorella      400 mg 150 capsules      •      200 mg 300 tablets  
100 gm 10.6 oz powder      •      1000 gm Kilo powder

**(5) The following disclaimer appears on the label in bold:** These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

These claims are limited to, and a result of, what we believe to be a substantial body of scientific evidence supporting the functional role of these nutrients.

Respectfully submitted,

Siddharth Shastri  
Vice President, Product Development
